

## THE DUKE OF EDINBURGH'S AWARD & LIFEVENTURE

Lifeventure are proud to be working with a charity such as The Duke of Edinburgh's Award. The hugely positive experiences gained by young people achieving their DofE will help them for the rest of their lives. These experiences encourage a greater appreciation of the environment we live in, show how enjoyable it can be to perform a service for others and also give a much greater understanding of the role we play in our community. DofE participants benefit from good quality, well designed kit.

Lifeventure has supplied kit to DofE participants and Leaders for over fifteen years. The DofE's inspirational aims are important to us and we strive to produce products which live up to this expectation. 2011 sees an official link up where Lifeventure is now an official supplier of DofE Recommended Kit. These products have been tested by The Duke of Edinburgh's Award product team, as well as expedition leaders in remote environments and medical professionals around the world. These products are perfect for all levels of DofE expeditions and the list of products will grow as more are designed to meet the needs of DofE Participants
